AUSTRALIAN FLAG LIFEJACKET COVER DESIGNED BY SOS MARINE

With the summer boating season fast approaching, SOS Marine has designed an Australian Flag cover for a lifejacket.

“Wearing a life jacket is a requirement for a day’s boating, especially in preparation for Australia Day celebrations”

- The adult’s imported manual inflatable lifejacket complies with the ISO 12402-3 safety standards for personal flotation devices.
- The Australian flag cover is designed by SOS Marine
- The inflatable lifejacket is comfortable and easy to wear, remains compactly packed until activated and buoyancy is required.
- A gas cylinder inflates the bladder, packed behind a protective outer PVC cover with the Australian Flag
- It will retail for \$120.00 plus GST.
