

SOS Marine

The life jacket foam vest is purposely designed for various defence & law enforcements worldwide

- The vest is made for the most demanding operational requirements giving wearers excellent manoeuvrability, both in and out of the water.
- The lifejacket will provide comfort and agility needed during extended period of use.
- This vest is purposely designed for simplicity and speed in donning.
- The PFD1 is constructed using closed cell foam. The vest has a zipper fastening at the front and is then tightly secured to the body with an adjustable waist belt.
- The buckle is a hard plastic click locking style. Special pockets have been provided in the vest.
