

Swift Water Police Rescue Life Jacket

Product Code SOS -5721

AUSTRALIAN MADE

The Swift Water Police Rescue Life Jacket has been custom-designed for the NSW Police Rescue teams.

SOS Marine is an Australian marine manufacturer with 30 years' experience in product development providing a new approach to safety and survival equipment.

The company has developed safety products for 14 National Defence Forces worldwide, law enforcement, high risk marine tactical operators.

Swift Water Police Rescue Life Jacket Benefits:

- Quick release pull tab front belt buckle.
- The large front pockets stretch to hold carabiners, web, a GPS, or a radio.
- Standard lash tabs and D-rings for a knife etc.
- Double plastic press stud tabs on the right and left side to attach the carabiner on a tether.
- Internal approved whistle.
- Radio pocket to fit most models.
- The back has an attachment point for a glow stick.
- The shell is tough 500-denier CORDURA® nylon fabric and has plenty of SOLAS reflective striping on both sides.
- Side adjustments allow a snug but comfortable fit over 4 sizes.
- Special purpose internal foam adjustment zippers.
- Non-stretch hardwearing internal mesh.
- leg straps with concealment pockets.
